In the heart of the Bronx

MASTERS / BACHELOR of SCIENCE &  
BACHELOR of ARTS / DEGREE PROGRAMS

Established in the early 1970s, Boricua College focuses on the needs of Puerto Rican and Latino students in New York City, while serving a diverse population of students from all over the metro area. Fields of study include childhood education, human services, business administration, liberal arts and sciences, and inter-American studies. ♦ The college employs one of the largest concentrations of Latino bilingual professionals

in the city, including 130 full-time and 100 part-time faculty and staff members. Boricua is a broad-based source of expert knowledge about Latin America, the Caribbean and the experience of Puerto Rican and Latino immigrants in the Big Apple. ♦ The most exciting new development is the Bronx Campus, a 14-story tower that houses the college's academic and administrative offices as well as a 260-seat theater, a museum, a

cultural center, a library, a high school, a college prep program, and an after-school program for children of Boricua students.

♦ The new vertical campus can serve 2,000 full-time students and will be a part of Boricua Village, which includes 700 units of affordable and moderate housing, underground parking, retail space and a plaza.
